MY POINT OF VIEW

GOOD evening all. A warm welcome to York City Football Club and particularly to Barry Lyons, who took over last season from Charlie Wright.

I like ourselves, York are finding it difficult away from home, and no doubt they will be looking to improve on their recent results tonight.

A Night with the Fans

At the present time I am thinking of organising a "talk-in" night with the fans, where the coaching staff, myself, and perhaps, one or two of the players can get together and listen to and discuss your points of view, because, one way or another, we all want the same thing for Wigan Athletic, and that is long-lasting success and the growth of the club to the top level. I would be very interested to hear if you, our supporters, would be interested in such a venture. It does not have

to take the form of a slanging match, and I am sure that the fans who write to the Chairman and myself, will be only too pleased to come along and air their views.

Neil Davids

It was sad to see big Neil having to be carried off, but, one thing is for sure, it had to be a bad injury for the big fella not to carry on. However, as breaks go, we are assured it was a straight forward fracture, and, with normal recovery, we will have him back before the end of the season.

Enjoy tonight's game.

GREAT NAMES FROM THE PAST

BY HAROLD ASHURST

PROBABLY one of the most popular players ever to turn out in Latics' colours was left back Harry Parkinson. A local lad through and through Harry played for Chorley Schoolboys' before signing for Latics. He still lives in the same Shevington house today as when he signed for the Club for their first season in the Lancashire Combination.

Harry played ten full seasons as a full back for Latics and today still holds the club record for consecutive appearances in the first team — a staggering 212. When he finally hung up

his boots, and he only ever played for Wigan, Harry took over as Youth Team Coach and held that post for twelve years until he finally called it a day in 1974.

A technician with a Wigan dentist, Harry is Churchwarden at Standish Parish Church and Chairman of the Wroughton Hospital League of Friends. He has many happy memories of his days at Springfield Park and told me "I would put the Newcastle United match as probably the highlight of my entire career. What a team we had then and I'll never forget that match".

However, Harry's comments about football these days are somewhat different. He is not a regular at Latics for the following reasons: "I went to Everton, last year, and enjoyed it but in the main the modern system of football without wingers is very dull and negative. I went to watch Wigan this season against Peterborough United but I won't be going again in a hurry, how can you expect people to pay £2 to watch a game like that? It was boring!"

It is sad when the past names of football feel this way. However Wigan fans will remember Harry Parkinson as the tigerish full back of a very successful era, when he played in the same team as Kenny Banks, Billy Lomax, and Dave Mycock. Many fans still regard that 1953-1954 team as the finest team ever to grace Springfield Park.

OUR CHANCES of winning the Umbro Floodlit League took a dive this week when an impressive Chester side completed the double over us. Our team losing 0-3 at Springfield Park.

We used this game to blood one or two young players who had not played previously, but this in no way detracts from Chester's victory, because the youngsters were our best players on the night.

Right back Kenny Freeman gave an excellent display defensively, and also looked a quality player going forward,

whilst Willie Gray at left back was very composed for a young lad and his use of the ball was first class.

Unfortunately, we lacked a bit of punch up front with Davie Glenn working hard for no reward and Tony Quinn having a night when nothing came off for him. Former Latics striker Sid Wallace figured prominently for Chester with two well taken goals, and we wish him good luck with his new club.

Meanwhile, we will keep battling on and hopefully introduce new young players in the remaining games to be played in the competition.

The team against Chester lined up as follows:-

1. Alan Harrison, 2 Kenny Freeman, 3. Willie Gray, 4. Tommy Gore, 5. Steve Silcock, 6. George McAllister, 7. Mark Wignall, 8. Davie Glenn, 9. Tony Quinn, 10. George Urquhart, 11. Dave McMullan. Sub. Brian Cunliffe.

BY THE TIME you read these notes tickets are expected to be available for our "Supporters' Night Out" to be held on Wednesday, 19th November, 1980 when the Commercial Department will present an evening of entertainment and fund raising fun in our own Supporters Club at Springfield Park.

We expect the evening to begin with a little introductory session of fund-raising, at about 7.30 p.m., with our artists taking the stage for the first spot at about 8.00 p.m. In comedian/comper Trevor Wallace and the Austin and Young Duo, we have just the people to get us into the party atmosphere. Later in the evening, after our buffet supper, and second spots for our artists, we will welcome the Paul Vince Disco to round-off what we hope will be the first of many special nights out for our supporters. Tickets are sure to be scarce to come by as we get nearer the event, so don't be disappointed, get your tickets now at the Supporters' Club or the Commercial Department offices. For £2.50, you can guarantee yourself a good night out.

I would like to launch a special appeal to those who work in large factories or office complexes. Why not encourage your bosses, staff and colleagues to organise a party to the first of our Sportsman's Evenings to be held at Tiffany's, Standishgate, on Thursday, 20th November, 1980. With Bill Shankly and Bobby Charlton as our main speakers, and Ivor Davies as the back-up comedian, plus the prospect of a

good meal in pleasant surroundings, and good company, tickets at £10.00 per person are a real bargain offer. Providing that a black tie is worn, lounge suits will be as acceptable as dinner suits on this occasion. Tickets for this new type of venture are obtainable from the Commercial Department during normal business hours.

We have this week received delivery of a supply of Christmas Cards. Each packet contains twenty very acceptable and very presentable cards, and, at a cost of 70 pence per packet, this is one bargain which supporters cannot afford to miss. The cards are now on sale at our Soccer Shop.

Tonight's Match is sponsored by G. A. Fryer (Warrington) Ltd., Industrial Painters and Decorators, of 212 Manchester Road, Warrington. (Tel. No. Warrington 34651). We are most grateful to our old friend Mr. T.E. Gardiner for once again displaying his Company's support for our club. We are also pleased to acknowledge the donation of the Match Ball by Dickinson Lottery Systems Ltd., of Woodgate, Loughborough, Leicestershire, (Tel. No. Loughborough 218228/218278).

Meanwhile, thank you for your continued support of our activities. Enjoy tonight's game.

Yours sincerely,
Jack Sudworth, Commercial Manager

Dear Readers,

This week we have two contributions to our Letterbox feature. I thank both Mr. Murphy and Mr. Hill for their suggestions. Their complimentary tickets for the Bradford City game will be forwarded by post in due course.

All best wishes,

Jack Sudworth, Commercial Manager.

Dear Sir,

Is it not possible to erect two barriers at the Shevington end of the ground with a "no-mans land" in the middle, say behind the centre of the goal? These barriers to be similar to the one now at the Shevington End that bars the home spectators from going on to the terracing at that end. If this could be done, it would enable us to use the terracing and toilet facilities and also allow us to give better support to the team on the field, rather than the current situation which has players playing towards the empty Shevington End terraces. The existing barrier could remain in its present position, so that if at any time, a large number of away supporters were to be expected, it could be brought back into operation. At present, I do not think that it is very fair to the home spectators to be packed fairly tightly together, when, on looking to the right, one can see grass growing on terraces that are never used for 99% of the matches played.

Yours faithfully,

Mr. M. J. Murphy.

131, Ridyard Street, Pemberton, Wigan.

Dear Sir,

I feel I am speaking for the majority of Latics supporters, in saying that it is nothing short of alarming to see the number of teams travelling to Springfield Park, who persist in using what has become commonly known as "the offside trap". Surely this negative attitude cannot be good for football at whatever level is played. It would be interesting to see supporters' opinions on combatting this tactic. My personal suggestion is the introduction of a 25 yard (metre) line onto the field of play, outside of which a player cannot be ruled offside.

Yours sincerely, Mr. Richard Hill.

THIS EVENING we welcome York City Football Club for a game between two sides that have yet to show the consistency needed to gain a leading position in the league table. Both Wigan Athletic and York City have reasonable home records, but their away form has been a great disappointment to their loyal fans. Apart from last year's humiliation of the Wigan side in losing 2-5 at home to "The Minstermen", clashes between the two clubs have always been very competitive and success has been hard to come by. It was against York City that Wigan Athletic began their "giant-killing" run in the 1977-1978 F.A. Cup competition, when the "Latics" triumphed 1-0 thanks to a John Wilkie goal. Since then, last September's game apart, other encounters in league fixtures have been finely balanced, with Wigan Athletic having the better of things. Personalities making up the two sides show changes from previous games, but with both Wigan Athletic and York City

anxious to fight their way up the league ladder, tonight's game is sure to be keenly contested.

To all our visitors, whether director, manager, player or supporter, we extend a warm welcome. After the recent bad weather, we trust the night will be fine and the entertainment of the highest order.

Had previous Football League experience with Blackburn Rovers, Huddersfield Town and Mansfield Town before going to Greece. Scored on his debut for City at Portsmouth and was leading goalscorer last season with 68 goals from 225 appearances. STEVE FAULKNER — **Defender** — AT over 6'3" tall one of the tallest players in the Football League. Signed from Sheffield United in May 1978 and has been a regular ever since. Has made 75 League appearances for City scoring 6 times.

STEWART FEREBEE — **Forward** — Fast young forward who was signed from Harrogate Town in July 1979. Born in Carshalton, Surrey and moved north due to his fathers job in the R.A.F. Whilst his father was stationed in Germany, Stewart appeared in Borussia Mochengladbach youth team. Made a number of League appearances for York City towards the end of last season.

GARY FORD — **Midfield** — Gary, who will only be 20 in February 1981, has already made 58 Football League appearances since making his debut as an Apprentice in front of 12000 people at Reading in October 1978. A very mobile, hard working player who has a bright future ahead.

DEREK HOOD — **Defender** — Derek was a bargain buy from Hull City in February 1980. After making his debut versus Halifax Town the same month, he appeared in all the remaining fixtures of the season, probably being the most consistent player during that time.

ANDY LEAF — **Defender** — Originally a left winger he has now successfully re-positioned himself to left back. Made his League debut in April 1980 versus Aldershot. Born in York he was another product of the Youth Scheme.

ROY KAY — **Defender** — Vastly experienced back four player who is now in his third season with City. Signed in July 1978 from Celtic after previous experience with Hearts. Was ever present in his first season with the Club and had

made a total of 87 appearances scoring 3 goals up to the start of this season.

IAN McDONALD — **Midfield** — Much travelled midfielder player who has seen service with Barrow, Workington, Liverpool, Mansfield, Colchester (Loan)

and York City. A very skilful player who was Captain for most of last season. Was voted by York City Supporters as 'The Clubman of the Year' last season.

BILLY MCGHIE — **Midfield** — A hard working player who was signed from Leeds United in December 1979 for a four figure fee. Whilst at Elland Road, made two first team appearances scoring on his debut versus Ipswich Town. Made his City debut at Lincoln in December 1979 and made a total of 18 appearances last season.

ALISTAIR MILLAR — **Midfield** — Very experienced, skilful left sided player who was signed in the close season from Barnsley with whom he had nine years of service. Made a total of 300 appearances and scored on 20 occasions for the Oakwell Club.

LLOYD RICHARDS — **Midfield** — A very fast, skilful player signed from Notts County in the close season. Found his first team chances limited at Meadow Lane and made only 12 appearances in five years. Born Jamaica.

JIMMY WALSH — **Defender** — Signed in May 1978 from Watford. An experienced defender who is popular with the Bootham Crescent Supporters. Despite making 117 appearances for Watford and York City he has scored only two goals and ironically they were in the same match after he came on as substitute with 30 minutes remaining versus Hartlepool in April 1980.

MALCOLM SMITH — **Striker** — Close season signing from Burnley for whom he was Captain for the latter part of last season. Previously with Middlesbrough for whom he made First and Second Division appearances.

WRITTEN QUOTATIONS ON REQUEST

A TRIBUTE TO PETER D. WOODS

IT IS WITH regret that we must note the passing of Peter D. Woods, Secretary/Activities' Organiser of the Wigan Athletic Supporters' Club, Springfield Park, Wigan.

Peter's death, coming as it did so suddenly on Sunday morning, has been a great shock not only to his dear wife, his loved ones and friends, but to many other people who knew this gentle man through his work at the Supporters' Club and through the notes which he so carefully prepared for this section of our programme.

One meets many people connected with Football and its associated organisations, but all who knew Peter speak of his absolute dedication to the Supporters' Club and the welfare of its membership, young and old alike. Over the years, many, many hours of his own time were devoted by Peter, who will be remembered as a courteous, quiet, unassuming, loyal and efficient member of the Springfield Park team.

The funeral cortege will leave the Woods' home at 178, Gathurst Road, Orrell, at 11 a.m. on Friday morning, 31st October, 1980.

prior to the service to be held at St. Anne's Church, Beech Hill, at 11.30 a.m.

As a mark of respect, a minute's silence will be observed prior to the kick-off of tonight's game against York City, and the players will wear black arm-bands.

To Peter's wife and loved ones, we extend our deepest sympathy as we share in the loss of a dear friend.

BOOM SIDE Crewe Alexandra have succeeded where the mighty Liverpool have failed . . . to sign Zimbabwe goalkeeper Bruce Grobbelaar from the American outfit Vancouver Whitecaps. Grobbelaar, possibly one of the finest goalkeepers in the League last season, was set to join the Anfield side but Liverpool's £250,000 offer was rejected as "insufficient". Now Bruce is going back to Gresty Road for another short spell with the club for whom he conceded only 25 goals in twenty-four Division Four appearances last year.

Poor old Northampton Town were certainly out for the count this week. Reeling, yet having got up at the count of eight goals against at Lincoln City on Saturday, the knock-out was completed on Monday when Mansfield Town inflicted a 0-2 defeat. Following on the signing of Joe Jakub from Burnley for a giveaway £12,000, Bury manager Jim Iley swooped to recruit Wigan Athletic's former Player of the Year, Tommy Gore, for a mere £25,000. Gore immediately began to repay his transfer fee

with his first goal for his club on his debut against Bradford City. The game ended 2-2.

At Valley Parade it is a case of how the mighty, and the gates, have fallen. Last term Bradford City commanded reasonable attendances as they pushed for promotion, with an average turn-out of around 5,740, but a recent "gate", for the Port Vale game, of only 2,843, was the lowest attendance at Valley Parade for eighteen months. In fact, Bradford's average gate this season, compared with last, is down by more than 2,600 spectators.

Disappointment for Robbie Cooke, the striker released by Mansfield Town, only to return to League football with Peterborough United. His side lost the local "derby" 1-2 but he did have the consolation of scoring Peterborough United's only goal.

Division Four leading scorers to date: Cooke (Peterborough United) 14, Hobson (Lincoln City) 13, Lumby (Tranmere Rovers) 12, Harford (Lincoln City) 12, Spence (Southend United) 11, Phillips (Northampton Town) 11.

READERS will have read, elsewhere in this programme, of the sudden death of Peter Woods, and it is with equal regret that we must report the passing of Mr. George Baldwin (aged 73) of 30, Heather Grove, Newtown, Wigan. Mr. Baldwin had supported Wigan Athletic since its formation in 1932, and long before that he had shown a lively interest in soccer played at Springfield Park. It is always sad to lose a supporter who has shared so often the ups and downs of the club's fortunes, and to his relatives and friends we extend our sympathy at their time of sorrow.

FOOTBALL these days seems to spend much of its time in examining ways and means of improving the game's image and its attraction to the paying customer. Although, at the time of going to press, final details of the Football League Chairman's Seminar at Solihull are not to hand, early information suggests that football as we have known it in recent times is due for some revision in rules and presentation.

Suggestions that the season run from September to the end of May and that clubs be given the freedom to stage their week-end home games on either Friday, Saturday, or Sunday, are interesting developments in

thinking. The plan to award three points for a win is seen as a positive attempt to reward attacking football, while a tightening-up of transfers completed on an instalment basis is evidence of a desire to bring a little sanity into a situation which has seen clubs acquire the services of players at a risk of "mortgaging" their financial future.

The need to improve amenities at grounds, to attract "family" audiences, and provide more entertainment has been recognised by other proposals to be put forward for consideration by the Football League Management Committee and possible acceptance by the member clubs at a later date. Changes to voting powers and majorities in voting required to bring about alterations to rules have also been suggested.

Whatever the final package produced by the weekend's deliberations, it is obvious that changes are imminent and the initial information outlined above is only likely to be the prelude to other schemes designed to inject a little more reality, vision and action into the promotion of Association Football as a viable business operation.

The Chairman's Column

I am pleased to welcome the York City Football Club, its directors, management, players and supporters to Wigan tonight. We look forward to an enjoyable game and a friendly get-together before and after the match.

After a hectic two days at the Football Seminar at Solihull, I write these notes stimulated by "the breath of fresh air" which promises to blow away the cobwebs surrounding Soccer, leaving the way clear for the introduction of new ideas, which promise to revitalise the game. Although the decisions which gained the initial approval of the majority of the Chairmen, will need the support of an Extraordinary General Meeting to be held in January, the signs are good for the future.

A September to May playing season, a more flexible attitude to the staging of week-end games and an attempt to bring reality into transfer deals, all received the nod. My major personal contribution was to voice my support for the suggested three points for a win — a move aimed at encouraging attacking skills and a more positive attitude towards entertaining spectators. I was also pleased to endorse the view that hooliganism is a major problem of Society, rather than something peculiar to Soccer, and the need for Government to take more positive steps to rectify a deteriorating situation. Perhaps one of the most far-reaching suggestions was to allow each of the Third and Fourth Division clubs a vote on re-election issues, instead of the six block votes allowed at the present time. I feel that this move will make it even more difficult for aspiring non-league clubs to gain elevation to the Football League, since clubs in the lower reaches of the Football League have historically supported each other against the threat offered by the non-league clubs. Wigan Athletic can afford to feel well-pleased to have already gained membership, rather than to be left to strive to achieve what for many will become "the impossible dream".

Before closing, I must comment on the many letters I have received recently offering advice as to how we could best improve the current state of affairs, I fully intend to reply to those people who have been polite enough to state their names and addresses, but I have little time for the correspondents who express criticisms without having the courage to identify themselves. I can assure these doubters that I personally have all the courage necessary to take any decision which might need to be taken, however unpleasant any such decision might turn out to be. It does surprise me, though, that people can so easily forget the good work achieved in the recent past, when more difficult times come along and affairs do not progress quite so smoothly, and I can see no need for drastic action at this time. As I have written several times before, please be patient and support your club, because the good times are coming.

Enjoy the game.

Yours sincerely,

Freddie Pinc

Chairman.
